Issue 129 | September 2023 | "HEALTH IS EVERYBODY'S BUSINESS LET'S BUILD A HEALTHIER EHP"

A group picture of the Eastern Highlands Provincial Health Authority (EHPHA) Technical Officers and the Australian High Commission Health Team including Ms. Oru Topurua and Ms. Anna Gilchrist (far right) during their visit to Goroka.

Australian High Commission Health Team visit Goroka & Asaro

A Health Team from the Australian High Commission Office including the First Secretary Ms. Anna Gilchrist and the Program Manager Ms. Ore Topurua were in Goroka for a worthwhile mission.

And the purpose of the team's visit is significant for the Australian High Commission who is embarking on new health strategies for improving health service delivery in the Eastern Highlands Province.

The Australian High Commission will also provide opportunity for the

team to understand issues concerning health in the province.

The team visited the Asaro Rural Health Centre, the SDA Church run Community Health Post at Kabiufa, the North Goroka and Lopi Urban Clinics as well as several health establishments in Goroka.

Ms. Gilchrist and Ms. Topurua during their brief visit at the Lopi Urban Clinic in Goroka.

EHPHA Women's Health Coordinator Sr. Elos David attending to the ever growing number of women that turn up for screening at the Lopi Urban Clinic in Goroka. Close to fifty women are screened everyday.

Positions Vacant

The Eastern Highlands Provincial Health Authority (EHPHA) requires a Goroka based Auditor to audit D-FAT Funded Projects under the Public Health Services. Terms of reference can be obtained from the Public Health Services office — EHPHA Head Office in Goroka.

Dr. Max Manape

Director—Public Health Services
